Take care of
legal matters

Personal Risk Protection is a digital legal assistance service that helps you protect your family while planning for the future

Personal Risk Protection (PRP) gives you access to customizable wills, powers of attorney, and healthcare directives from the comfort of your own home.

Legal document preparation

PRP's system interviews you and uses artificial intelligence to create customized legal documents

Secure collaboration

PRP's secure workflow lets you share documents with anyone, such as a family member or trusted advisor

Secure account space

Documents can be safely stored for editing, or exported for printing and signature

For more information, visit:

Personal Risk Protection™

Personal Risk Protection uses smart technology to prepare essential legal documents that are tailored to your individual needs

Wills
PRP's technology makes it easy for you to create a high-quality Will that sets out your wishes

Powers of attorney
PRP's powers of attorney help you give permission to a loved one or trusted advisor to handle your financial affairs

Healthcare directives
PRP's healthcare directives and living wills let you make your end of life preferences known

Trusts
PRP's trusts help your to manage and distribute your assets without court interference

Landlord
PRP contains a range of agreements that help you rent out property safely

Why use PRP?

Ease of use - simply complete a series of questions to customize a document

Convenience - prepare documents quickly and instantly on any device

High quality - same technology trusted by law firms around the world

Cost saving - Save hundreds of dollars in legal fees

Who provides PRP?

PRP is provided by Epoq, a provider of innovative legal services. Established over 20 years ago, Epoq's clients include many of the world's largest insurers, law firms and financial services organizations.
